

Since the beginning of the sixties the Eiselen family is sponsoring research projects at the University of Hohenheim which strive for the reduction of famine worldwide. In 1978 Dr. h.c. W. Eiselen (1896-1981) and his Sohn Dr. H. Eiselen (geb. 1926) founded the "Vater und Sohn Eiselen-Stiftung".

Further information (in german) including the conditions for participation you can find on the website:
